

Testimonials of weddings we have performed

Gee, where do I start?. First is to tell you what a wonderful wedding you provided and the service provided by Windsong Charters was nothing less than first class. The experience with ALL of you on a personal level was what made everything something to remember. We felt we had the three best people to be at sea with that we could ask for.

There was never any question about professionalism or the ability of anyone to go or do whatever needed to be done. We know that so many times you can do your best and some people don't appreciate what you All do but we do, and thank you for it. The wedding is supposed to be the focus of the day but for us it was the experience we had with the three of you and that wonderful vessel (the dolphins were nice too). Thank you Wendy and please pass this along to everyone at Windsong Charters and especially Rene and Capt. Bruce. Many thanks and we **WILL** be in touch. Fair winds and Following seas.

We had a great time and we loved our sailing experience. Thanks again Wendy you thought of everything and we could not be happier!!! I have heard Stacey tell her friends and family "You know when you have something in your mind and you never expect it to be just like what you thought it was going to be, well this time it was." For Stacey that is huge most things never live up to her expectations. Thanks again!!!

Thank you for our wonderful day! We will always remember not only the voyage, but the friends we made along the way.

Eric & Barb, Westerville, OH

To everyone at Windsong:
You certainly saved the day when the other sailing company cancelled last minute. It was truly amazing how you arranged everything down to the last detail. The beach BBQ on the island was stunning and Chef Bruce's meal was delectable! Thank you for arranging the beautiful weather and the dolphins! We will see you on our next holiday to the US.

You guys were great! Even tho' we had to enact Plan B because of the weather – you made our day the most perfect EVER!

Thanks for everything!

Jamie and Brad, Winter Haven, FL

Everyone that was with us said that it was truly the "best day of their life", thank you SO much for making that happen. You made the day perfect for ALL of us, and I personally have never heard of any wedding "going perfect", but you truly made our wedding day perfect. I have very high standards (sometimes to a fault), you exceeded them. Exceeded! We love you guys,
